## Plan a day out in Dorking

Dorking's West Street is well known as a centre for antiques and with galleries, boutiques, cafes and restaurants it's easy to spend an enjoyable day in Dorking. These are some of my favourite places...

**Les Tuileries** offers interior design services and creative courses from their upstairs boutique on Pump Corner, South Street

**Arkell Antiques** specialises in 18th and 19th century furniture over three floors. You will see The Fig Tree's contemporary ceramics and home accessories adding a personal touch to Arkell's elegant showrooms

**Two to Four** offers fine dining for lunch and dinner – [www.2to4.co.uk](http://www.2to4.co.uk). Their set menus are great value. Also in West Street, **Viva** is great for good food, coffee and cakes in informal surroundings

**After Lily** in West Street is the boutique for perfecting the art of layering clothing

**Bakehouse** offers high end women's fashion like Farhi, Marilyn Moore and Orla Kiely from their boutique on Pump Corner in South Street

**The Quilt Room** for fabrics, books and courses has moved their busy shop from West Street to new premises in the High Street

**Galerie Buzkashi** in South Street, one of several galleries in Dorking, shows the work of 20 artists and craftsman on a cooperative basis.
